Product Details

FEATURES

Electric fan forced oven	Handy separate grilling compartment	Easy clean formed shelf supports	2 hour mechanical timer
80L/22L capacity oven/grill	Ceramic cooktop	One dual zone element	Hot surface indicator

BENEFITS

Fan forced for even cooking
When it comes to cooking, one of the biggest is even heat distribution over your dishes. By using fan forced cooking you are able to create an even cooking result.

Handy separate grilling compartment
Cook for the whole family. Grill and bake at the same time while keeping different cooking flavours and smells apart.

More versatility with variable zones
With Dual Zone functionality you are able to adjust your cooking surface to suit your pot or pan size with ease.

Set for 2 hours and it will ring
The mechanical timer keeps track of your cooking time for 2 hours with a ringer to let you know you are ready to restart the timer or finish your dish.

Clean your shelf supports with ease
When it comes to cleaning your oven we want it to be fuss free, given the design of our shelf supports you can clean the sides of your oven with ease as there are no racks to be removed.

Built in Australia
Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.
