BENEFITS

Sleek Linear Design
With its distinctive linear design, the Beefeater ProLine™ barbecue range is sure to impress. Sleek lines, cutting-edge style and a top-class range of innovative features have created the perfect addition to your outdoor entertaining area.

Sophisticated Style and Durable, even in Coastal Climates
Designed for modern outdoor living, the exterior stainless steel is crafted from Marinegrade material to endure tough Australian climate, even in coastal conditions. It delivers enduring beauty and dependable performance you can count on.

Designed in Australia. Built for Australian Conditions for over 40 years.
Proudly designed in Australia for over 40 years, BeefEater BBQ's are built for Aussie outdoors and tastes, delivering durability, performance and thoughtful features.

10 Year Limited Warranty*
Your BeefEater BBQ comes with a 10 Year Limited Warranty*.
*on Burner Box, Grills and Plates. All remaining parts - 2 years.

Precision Power for Great Taste
The advanced cooking surface is driven by six powerful burners that deliver intense and consistent heat. With uncompromising power behind every flame, you can count on even cooking, exactly the way you like it.

Precision Control, Instinctive Operation
Designed for both form and function, the ergonomic controls enhance any suitable bench or workspace with refined ease. The intuitive power level indicators eliminate guesswork, for precise, consistent results.

Superior Oil Management System
Healthier cooking and an easy-to-clean barbecue are yours thanks to the superior oil management system. Oil and waste run into easily removable containers at the front of the barbecue, while the unique angled surface drains oil away from food.

Intensive Cleaning Cycle
Keep your cast iron hotplate and cast iron grills looking their best with our quick and easy cleaning feature. Simply open your barbecue hood or lid, remove any stainless steel attachments and turn on all burners to boost level. In 30 minutes, cooking residue will turn to ash, so all you need to do is wipe clean.

Electronic Ignition for Effortless Grilling
Enjoy instant, hasslefree grilling every time with electronic ignition. With a single push, your BBQ fires up fast, safely, and reliablyno matches, no fuss. Its effortless, windresistant, and ready when you are, delivering a smooth start to every cookup.

Reliable Cast Grills and Hotplate for Consistent Results
The cast grills and hotplate deliver consistent, even cooking performance. Built for durability and effortless care, they are rust resistant, simple to clean to maintain their pristine appearance for years to come

---

Versatile Cooking at its Finest
From gentle low-and-slow cooking to high powered searing, roasting and baking, you have the flexibility and power to cook like a pro. With dual-burner ignition and precise heat selection, you can create the perfect cooking environment every time.

Certified for Commercial Use
Certified for commercial use and certified to AS4563 standards and is designed for safe, professional performance. When installed with a compliant rangehood and in line with commercial catering installation requirements, it delivers powerful, reliable cooking in any commercial kitchen.

Freedom to Create the Outdoor Cooking Space of your Dreams
Optional Trim Kit Sold Separately reduces the surface temperature of the bench surrounding the barbeque, so that you can install the product in a greater variety of benchtops.

Unlock Ultimate Versatility: Must-Have BBQ Accessories for Every Cooking Style
Our broad range of optional extras can help you create your perfect barbecue. Plus, whether you prefer an open grill or a solid hotplate, our range of customisable cast iron furnishings offers different cooking configurations to suit your needs.
