80L/22L capacity oven/grill	Ceramic cooktop	One dual zone element	Hot surface indicator

BENEFITS

Fan forced for even cooking
When it comes to cooking, one of the biggest is even heat distribution over your dishes. By using fan forced cooking you are able to create an even cooking result.

Grill separately for smooth entertaining
The separate grilling compartment on selected models means you can entertain guests and cook big family meals with absolute ease and without compromising on precious oven space.

Set for 2 hours and it will ring
The mechanical timer keeps track of your cooking time for 2 hours with a ringer to let you know you are ready to restart the timer or finish your dish.

Clean your shelf supports with ease
When it comes to cleaning your oven we want it to be fuss free, given the design of our shelf supports you can clean the sides of your oven with ease as there are no racks to be removed.

More versatility with variable zones
Sometimes you are cooking for two and other times it's for five, with our powerful Dual Zone functionality you are able to adjust to your chosen pot or pan size with ease.

Built in Australia
Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.
