FEATURES

Self-cleaning
Self-cleaning function cleans in two minutes.

Runtime

Detergent
Fresher and more efficient clean with detergent.

Fast Dry
A streak-free clean floor within minutes.

Antibacterial Tanks
Water tanks eliminate up to 99% of the tested bacteria*. *Based on external tests on bacteria types Escherichia Colii, Staphylococcus Aureus.

Powerful performance

BENEFITS

SELF-CLEANING NOZZLE

Enjoy being hands-free while maintaining the brush roll in your nozzle. The self-cleaning function cleans your nozzle, so you don't have to. The feature is easily activated via a push of a button on the hand unit while being placed on the charging stand. The brush roll will rotate, while clean water is being released to wash the brush roll, and the suction will be activated to vacuum the dirty water at the same time, all within 2 minutes.

FRESH, CLEAN FLOORS

Enhance your clean experience during and after with the floor detergent. The added fragrance leaves the floor smelling fresher and cleaner and be assured with a more efficient clean.

DRY FLOORS IN MINUTES

In as little as less than a minute,* your floors will be thoroughly clean, dry, and streak free. So you can enjoy spending more time in your spotless home, and less time mopping.*Based on internal test report on clean and dry hard floor.

EFFICIENT MOPPING

From spilled coffee to dried ketchup, clean up sticky messes quickly and efficiently* with the wet and dry vacuum.*Based on internal tests with on coffee and ketchup stains left for 24 and 2 hours respectively.

ANTIBACTERIAL WATER TANKS

Antibacterial water tank eliminates up to 99.9% of the tested bacteria* for optimal cleanliness and hygiene. Be assured that the water tanks stay hygienically clean and fresh in-between cleaning. *Based on external tests on bacteria types Escherichia Colii, Staphylococcus Aureus.

POWERFUL PERFORMANCE

The vacuum delivers powerful suction performance and picks up to 99% of tested dry debris* for thoroughly clean floors.

*Based on internal test for particle size (3 to 7 micrometre) on rice and M3 standard size nuts and screws.

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
