

60cm electric solid cooktop with knob controls, corrosion resistant solid hotplate, and easy clean stainless steel finish.

Product Details

FEATURES

Corrosion resistant solid hotplate

Knob control

2.0kW powerful zone

Stainless steel

BENEFITS

Corrosion resistant cooking

Made to be corrosion resistant, our solid cooktop hotplates deliver desired heat to your cooking whilst minimising wear and tear.

Big or small, you're covered

When it comes to cooking we know that there is a time and place for a small pot or pan whilst other times we need something a little larger. Our solid cooktops have you covered with two small and two large hotplates.

Smooth temperature control

With ease of use our control knobs allow you to adjust your cooking temperature smoothly.

Functional and durable

Our solid cooktops offer a reliable and easy to use solution for you to prepare your family's favourites.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
