RRP AUS \$2,559.00

Product Details

FEATURES

MaxiZone

FlexZone

Hob2Hood technology

Touch and slide controls
Touch the control bar at the
necessary heat setting

STOP & GO function

Timer and minute minder

Auto warm-up function

Auto pot detection

BENEFITS

Enjoy the space and freedom to cook what you want
Use large pots and pans like a professional chef. The extra large MaxiZone on this hob gives you the freedom to effortlessly prepare all kinds of dishes that need a large pan with consistent heat, like that delicious paella youve been wanting to cook.

When two become one
FlexZone allows you to combine your cooking zones for ultimate flexibility.

The hands free hood

While you concentrate on the flavours, the innovative Hob2Hood feature will take care of keeping your kitchen fresh. The rangehood automatically turns on as soon as you start cooking, and intuitively adjusts the fan speed with your cooking.

Control at your fingertips

The touch controls on this hob lets you heat up, down or switch off immediately. Just gently slide your finger across the control to the temperature you need and you can be confident it will respond right away, so you can create delicious meals effortlessly. The Stop & Go feature offers a useful keep warm setting if youre unexpectedly interrupted.

Specifications
