------------------------------	-----------------------------	-----------------	-------------------

Huge 125L gross capacity oven

BENEFITS

Effortless baking Adding steam to your Baking Program can lift your baking skills to a whole new level. The Bake +Steam function on this oven uses a touch of steam to create a richer and glossier colour, a crispier crust and soft delicious texture for your home-baked goodies.	Twin fan system Cook each dish to perfection with the Twin Fan System. Fans rotate in opposite directions, distributing heat evenly throughout the oven, so you enjoy great results every time.
---	--

Say hello to intuitive control Cooking should be fun, not complicated. Our Intuitive Oven Interface (IOI) gives you a simpler and more enjoyable way to cook. You wont even need a manual.	The perfect result, every time The Smart Food Probe ensures your dishes are delicious every time. The food probe alerts you when food reaches the desired core temperature and switches the oven off so you get the perfect result.
---	--

Love your cooking. We'll clean up. Now you can unleash your creative skills in the kitchen, without worrying about the mess. Just set the pyrolytic function, come back when its finished and wipe away the residue, without hard scrubbing or exposure to harsh chemicals.	Smooth operator Our fully extendable telescopic runners give you safe, effortless access to all areas of your oven. This makes it simple to turn, baste and check on your food for delicious results every time.
