

322L single door fridge, white with 3.5-star energy rating, full width fruit & vegetable drawers, deep door bins and Quick Chill freezing boost

Product Details

FEATURES

Full width fruit and vegetable drawers	Deep full width door bins	Adjustable & easy to clean glass shelves	Quick chill function
Full width airflow	Reversible door		

BENEFITS

Keeping things organised Storing fresh food has never been easier. With 2 full width drawers, keep fruit in one box and vegetables in the other.	Free up your fridge shelves From the largest bottles to the smallest jars, use the 4 full width door bins to free up your shelves in your fridge. The big balcony stores tall and large bottles inside the door.
Strong, adjustable & easy to clean High quality tempered glass shelves provide strong, sturdy support for all types of food and containers. Move them up and down your fridge to suit multiple heights, and being glass they are easy to remove and clean	Cool it Quickly Load your fridge after a grocery shop, activate the Quick Chill function to lower the temperature faster than normal, cooling your food faster and helping it stay fresher for longer
Even Distribution With air ducts on each shelf, cool air is evenly distributed throughout, maintaining the right temperature and humidity levels to get the best performance from your fridge.	Reverse the door With a reversible door, position your fridge as either a left or right opening to suit your kitchen
