BENEFITS

Quiet Inverter System Enjoy the peace that comes with an ultra-quiet dishwasher. With a quiet 44dBA operational noise level, you can wash your dishes at any time convenient for you. The Inverter motor is also extremely durable and long lasting.	Cleans glasses gently and pans intensively in the same cycle The FlexiWash program uses different settings for the upper and lower baskets, so you always get the best results for each item, even if its a mixed load.

Clean more than ever

With 25% more capacity than an average dishwasher, RealLife can accommodate even your most unusually shaped dishes. Enjoy complete cooking freedom using whichever utensils, pots and serving platters suit your culinary creativity knowing everything is loaded into RealLife will be cared for.

Naturally inspired drying

Ensure your dishes are dry when you're ready to put them away. Our new AirDry technology automatically opens the door by 10cm towards the end of the cycle, and the door stays open until you're ready to unload. This ensures a natural way to get maximum drying performance while effectively reducing your energy costs.

Remove the guesswork

MyTime is the effortless way to start your tailored dishwashing cycle. Pick the exact time and any optional treatments with the slider display it's never been more intuitive. Then sit back and let the machine do the rest.
