## BENEFITS

---

|                                                                                                                                                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                                                                                                                 |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| When two become one<br>FlexZone allows you to combine your cooking zones for ultimate flexibility.                                                                                                                                                                                                                                                                                          | The hands free hood<br>While you concentrate on the flavours, the innovative Hob2Hood feature will take care of keeping your kitchen fresh. The rangehood automatically turns on as soon as you start cooking, and intuitively adjusts the fan speed with your cooking.                                                                         |
| Control at your fingertips<br>The touch controls on this hob lets you heat up, down or switch off immediately. Just gently slide your finger across the control to the temperature you need and you can be confident it will respond right away, so you can create delicious meals effortlessly. The Stop & Go feature offers a useful keep warm setting if youre unexpectedly interrupted. | Pause cooking with Stop and Go<br>Created for those unexpected interruptions, the efficient Stop and Go function allows you to temporarily leave the cooktop on a keep-warm setting if you are called away. When you are ready to start cooking again, simply press Stop and Go, and the cooktop will restart again with your previous setting. |

# Terms and Conditions

## IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

## PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

## WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
