

RRP AUS \$639.00

The 5.5kg clothes dryer comes with Sensor Dry to gently dry your garments for an exceptional result. Other features include ideal temperature settings, Fast 40 program, reverse tumbling action and anti-crease option.

Product Details

Features

Sensor Dry Sensor Dry cares for your clothes. 3 settings dry your clothes just right without overdrying.	Efficient Reverse Tumbling Action The tumble action alternates from clockwise to anti-clockwise. This reduces clothes tangling and bunching, so they dry evenly and quicker.	Ideal temperature settings	Clean Filter Indicator A reminder to clean the filter, keeping your dryer running in optimal condition, saving time and energy.
Durable stainless steel drum	Wall mount option with reversible control panel decal	Child safety device on door	Delay start option

Product Details

Benefits

Sensor Dry

Sensor Dry gently and precisely dries your garments for exceptional results. This easy-to-use program will also save you precious time and energy.

Save time with the Fast 40 program

Dry your smaller loads within 40 minutes, for those times you just need to get things done quickly.

Ideal temperature settings to suit different loads

With four settings, even your most precious items are in safe hands. Choose from the airing setting for uncomplicated aeration, low heat setting for your delicates, normal setting for regular loads, or use the boost setting for heavier loads.

Efficient Reverse Tumbling Action

The tumble action alternates clockwise to anti-clockwise, reducing clothes tangling and bunching, so they dry evenly and quicker.

Specifications

PRODUCT PROFILE
