Quadruple glazed doors			

BENEFITS

Effortless baking Adding steam to your Baking Program can lift your baking skills to a whole new level. The Bake +Steam function on this oven uses a touch of steam to create a richer and glossier colour, a crispier crust and soft delicious texture for your home-baked goodies.	Twin fan system Cook each dish to perfection with the Twin Fan System. Fans rotate in opposite directions, distributing heat evenly throughout the oven, so you enjoy great results every time.
Say hello to intuitive control Cooking should be fun, not complicated. Our Intuitive Oven Interface (IOI) gives you a simpler and more enjoyable way to cook. You wont even need a manual.	The perfect result, every time The Smart Food Probe ensures your dishes are delicious every time. The food probe alerts you when food reaches the desired core temperature and switches the oven off so you get the perfect result.

Pyrolytic self-cleaning oven

Introducing an oven that cleans itself. Pyrolytic cleaning removes the need for you to use harsh chemicals to clean your oven. Simply set the Pyrolytic function, come back when it is complete and wipe away the residue.

Power wok

The powerful 22MJ/h wok burner allows for fast boiling and intense cooking.

Fire it up

Enjoy super-fast heating, precise control and the satisfaction of great dishes, cooked to perfection. The Dual Flame wok control lets you direct heat accurately from simmer to maximum flame.

Specifications

PRODUCT PROFILE
