-----------------------	-------------------------------------	----------------------------------	-----------------------------

Gas cooktop	FamilySafe Flame Failure Device Stops the gas supply if the flame is extinguished.	Available in natural gas or LPG
-------------	---	---------------------------------

BENEFITS

Grill separately for smooth entertaining
The separate grilling compartment on selected models means you can entertain guests and cook big family meals with absolute ease and without compromising on precious oven space.

Clean your shelf supports with ease
When it comes to cleaning your oven we want it to be fuss free, given the design of our shelf supports you can clean the sides of your oven with ease as there are no racks to be removed.

Built in Australia
Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.
