## FEATURES

|                                                                                                                                                                                  |                                    |                                                                                                                                                                                                                                             |                                                                                                                                                                                             |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Gentle Drum</p> <p>More smaller holes allow water to pass in and out of the drum quickly, while also helping to reduce pulling of your clothes during high-speed spinning</p> | <p>Extra-Large Door Opening</p>    | <p>Add Clothes</p> <p>With our Add Clothes function, you can quickly add those forgotten items. It can only be used when the water level is below the door and on programs where the water temperature is less than 60 degrees Celsius.</p> | <p>5 Energy Stars rated</p>                                                                                                                                                                 |
| <p>Drum Light</p> <p>Extra visibility with the brilliant LED Drum Light</p>                                                                                                      | <p>Save your favourite program</p> | <p>Woolmark Blue Certified</p>                                                                                                                                                                                                              | <p>EcoInverter</p> <p>The ecoinverter motor delivers quieter operation, improvements in energy efficiency and improved durability, backed by a 10-year warranty ensuring peace of mind.</p> |

## BENEFITS

|                                                                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                                                       |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Intuitive and intelligent</p> <p>Keep colours bright, whites startling and blacks dark. Smart sensors automatically detect the soil and detergent levels to adjust the washing time for optimal, energy-efficient results that reduces unnecessary wear on fabrics.</p>                                              | <p>Extra-Large Door Opening</p> <p>The extra-large door opening was designed to make loading and unloading your machine a breeze. With easy access to the inside drum, youll enjoy better visibility so youll never miss those smaller items.</p>                                     |
| <p>Quietly efficient</p> <p>Reduce your energy needs by up to 50% with a powerful and reliable EcoInverter motor that cuts vibrations and noise to the barest whisper. The ten-year motor parts warranty means your Electrolux will deliver, wash after wash, year after year. *vs conventional non inverter motors</p> | <p>Hand it to us</p> <p>You can safely trust your Electrolux to treat your delicate wool garments with utmost care. Our wool cycle is proven to be gentle enough even for your hand wash only woollens, keeping them as fresh and lovely as they felt when you first put them on.</p> |

## No more wrinkles

Vapour not only reduces wrinkles, it also eradicates up to 99% of allergens and germs for a clean thats more than just superficial.

## Deeper clean

Say goodbye to detergent or soil residue on your freshly washed garments. UltraMix ensures detergent is fully dissolved before it reaches your fabrics for 31% less colour fading after 52 washes, even using cold water.

## Dimensions

# Terms and Conditions

## IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

## PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

## WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
