

Side only catalytic liner kit, suits electric ovens which have side lights and removable shelf supports
RRP AUS \$44.00

Product Details

FEATURES

Optional self-cleaning liners
Reduce cleaning time as
these liners absorb fats and
oils, burning themselves
clean in high temperatures.

BENEFITS

Porous Enamel

The Catalytic Liners trigger an oxidation process which turns the grease and grime which is trapped in the porous enamel into tiny dust like particles. These dust particles can be easily swept or wiped out of the oven, after the oven has cooled down. This means the oven can be cleaned without the use of harmful chemicals. It also reduces the amount of time typically taken to clean an oven, giving you more time to spend with your family and friends.

Catalytic Liners

Handy self-cleaning catalytic liners absorb the fat given off during the cooking process. The fats are then vaporised by the heat of the oven, making cleaning a breeze.

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
