RRP AUS \$3,749.00

Product Details

FEATURES

Precise temperature setting	Save time with favourites program	Convenient automatic pre-defined programs	Fast heat up function
Smooth stylish control panel	Multi-function including grill, roast and microwave Multi-function including grill, roast and microwave		

BENEFITS

Precise temperature setting Take control of your cooking and cook every dish to perfection. With the benefit of precise temperature setting, you will always achieve the cooking results you desire.	Save time with favourites program Save time and enjoy the convenience of cooking your favourite dishes with the touch of a button. Simply program in your own preferred cooking mode and you'll avoid having to re-program the oven every time you cook your chosen dish.
Convenient automatic pre-defined programs Every cook needs a hand in the kitchen. The convenient automatic pre-defined programs feature an array of recipes to help make cooking a breeze.	Smooth stylish control panel Simple to operate and beautifully designed, the flat stylish panel with touch on glass controls is so easy to clean.
Cooler touch 4 layer glass door Featuring an innovative door cooling system with quadruple glazed door panels designed to minimise heat being transferred outside the oven and ensuring a cooler touch oven door
