BENEFITS

High powered wok burner This high-powered wok burner means that you finally get the heat you need to cook delicious and nutritious stir fry at home.	Cast iron trivets Our cast iron trivets have been designed to keep your pots and pans stable, as well as being easy to move around between burners.
Push and go. Easy. One push start ignition, first time, every time.	Side controls for easy access Side cooktop controls that are easy to use and positioned for safety, so you never have to reach over hot pots and pans again.
Flame Failure for kitchen safety Designed for extra kitchen safety, the Flame Failure feature will automatically shut off the gas supply if the flame is unexpectedly extinguished.	Easy to maintain Easy clean formed hob in a stainless steel finish makes this hob easy to maintain
