RRP AUS \$1,149.00

Product Details

FEATURES

Full Wash 60 Our Full Wash 60 lets you wash an entire load of normally soiled items in just 60 minutes without compromising on the wash result.	Daily 39 A fast 39 minute wash for a larger load up to 5.5kg, you can have your fashion favourites cleaned quickly without having to sacrifice on the quality of your wash.	Quick 15 A quick 15 minute wash for small or delicate loads up to 1.5kg. Ideal for cleaning and refreshing any urgent items you might need.	Add Clothes With our Pause To Add Clothes function, you can quickly add those forgotten items. It can only be used when the water level is below the door and on programs where the water temperature is less than 60 Celsius.
Hygienic Care option	EcoInverter The ecoinverter motor delivers quieter operation, improvements in energy efficiency and improved durability, backed by a 10 year parts & labour inverter motor warranty ensuring peace of mind.	Liquid or powder detergent drawer	High spin, less dry time
Delay end option to plan when your wash finishes			

BENEFITS

GOODBYE DETERGENT RESIDUES.*

With UltraMix technology, detergent and softener is thoroughly dissolved and activated before it enters the drum. This ensures that your clothes are cleaned without leaving visible detergent residue at the end of the cycle. With UltraMix you can say goodbye to visible detergent residue and forget rewashing*. *Tested on a 3kg mixed load of colour T-shirts and shirts, using recommended powder detergent dosage and load size. Results may vary depending on load size, detergent type and water pressure.

HYGIENIC CLEAN. VAPOURCARE

Electrolux front load washers with vapour option removes up to 99.2% of Der f1 (dust mite) and Fel d1 (cat allergen) and up to 99.9% of Staphylococcus aureus and Klebsiella pneumonia during a 40C cottons wash.

QUIETLY EFFICIENT

Reduce your energy needs by up to 50% with a powerful and reliable EcoInverter motor that cuts vibrations and noise to the barest whisper. With the 10 year parts and labour inverter motor warranty your Electrolux will deliver, wash after wash, year after year. *vs Electrolux non inverter motors

FAST, FLEXIBLE CYCLES

Adapt your laundry load to suit your schedule. The Quick 15 Cycle delivers an efficient, 15-minute wash suitable for a small amount of clothes or single items. The Daily 39 program is ideal for your soiled daily loads. And for a regular full load, set to the Full Wash 60 cycle, the ideal one-hour program.

CONVENIENTLY ADDCLOTHES

Have you ever started a wash cycle only to realise that you've left a sock at the bottom of your laundry basket? The AddClothes function allows you to pause the wash to add forgotten items up to 15 minutes after the cycle begins.
