

Stainless steel 54cm freestanding cooker with fan forced electric oven, separate electric grill, 2 hour timer and 4 burner gas hob including wok.

RRP AUS \$1,599.00

Product Details

FEATURES

Class leading capacity	Easy-clean oven and surfaces	Easy clean formed shelf supports	Handy separate grilling compartment
High performance cooktops	2 Hour mechanical timer	Durable cast trivets	Electronic ignition

FamilySafe Flame Failure Device
Stops the gas supply if the flame is extinguished.

BENEFITS

Class-leading capacity
Westinghouse freestanding cookers have the largest cavity in their class, with a 80L gross oven capacity. Plus, the separate grilling compartment on selected models means you can entertain guests and cook big family meals with absolute ease and without compromising on precious oven space.

Easy-clean oven
Enjoy easy cleaning with one seamless fully sealed oven cavity. With no awkward joints, nooks or crannies to trap grease, a simple wipe is all you need to keep your oven clean.

Easy clean formed shelf supports
Formed runners on the inside of your oven (instead of racks) means easier cleaning.

Handy separate grilling compartment
Cook for the whole family. Grill and bake at the same time while keeping different cooking flavours and smells apart.

2 Hour mechanical timer
Simple to operate, the two hour mechanical timer gives you flexibility when cooking and rings when the selected program time lapses.

High Performance Cooktops
Gas models include a high powered triple ring wok burner, which is perfect for family stir-frys, or rapid heating.

Durable Cast Iron Trivet

The Westinghouse cast iron trivets have been designed for greater pot and pan stability, enabling easy pot movement between burners.

Electronic ignition

Westinghouse gas cooktops use advanced technology such as electronic ignition to suit a hardworking, productive kitchen.

Flame failure safety device

Created with your safety in mind, the flame failure safety device will immediately shut off the gas supply if either the cooktop, oven or grill flame is unexpectedly extinguished. So you can always cook without worry.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	2
Oven fuel	electric
Materials/Colour	mark resistant stainless steel
Controls of Oven	control knob
Cooling fan	No
Plinth colour (kickboard)	stainless steel
