80L/22L capacity oven/grill	Solid elements	Power on indicator indicates if power is on to provide peace of mind	

BENEFITS

Fan forced for even cooking When it comes to cooking, one of the biggest is even heat distribution over your dishes. By using fan forced cooking you are able to create an even cooking result.	Grill separately for smooth entertaining The separate grilling compartment on selected models means you can entertain guests and cook big family meals with absolute ease and without compromising on precious oven space.
Set for 1 hour The mechanical timer keeps track of your cooking time for 1 hour.	On and ready to cook The power on indicator clearly shows when your cooktop is on allowing your family to safely move around the kitchen.
Built in Australia Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.
