| <b>High-powered wok burner</b>                                                                                                                                                                                                                                                                                | <b>Fingerprint resistant stainless steel</b><br>Enjoy easy cleaning with smudge-free stainless steel and removable knobs                                                                                            | <b>Handy storage compartment</b><br>Extra storage always comes in handy, so with a clever storage compartment you can easily stow away any extra pots and pans. | <b>Seamless design integration</b>                                                                                                 |

---

## BENEFITS

---

### Room for everything with FamilySize Ovens

Whether its a big family gathering or a simple Sunday roast, you'll love Westinghouse Family Size ovens, our huge 125-litre gross capacity ovens with room for everything. The home cook's delight, the impressive width makes it super easy to get things in and out of the oven. Plus it can also fit even the largest turkey or lamb roast, so you'll never have to worry about not fitting food in.

---

### Twin fan system for even cooking

Cook each dish to perfection with the Twin Fan System. Fans rotate in opposite directions, distributing heat evenly throughout the oven, so you enjoy great results every time.

---

### Fast heat-up time

Every moment counts, so while your oven heats up fast you can save time and get on with cooking the dishes you and your family love.

### FamilySafe doors

For extra peace of mind and safety in the kitchen, we've developed multi-layer glazed oven doors with an even cooler. The Westinghouse cool doors are safer for families with young children and create a more comfortable environment in the kitchen. And the benefits don't stop there. The full-width inner glass door also ensures a better oven seal, optimal temperature control and easier cleaning.

---

### Easy-clean oven and surfaces

Enjoy easy cleaning with one seamless fully sealed oven cavity. No awkward joints, nooks or crannies to trap grease, a simple wipe is all you need to keep your oven clean.

### Digital programmable timer

With 3 simple-to-operate buttons, you can automatically set the oven to turn on or off, or simply use the clock as a timer.

---

### Twin oven lights

Twin 25W halogen lights light up your oven so you can always keep a close eye on your cooking.

### Ease of use hobs

Designed for maximum ease of use, our gas hobs have a 5 burner configuration including a triple ring wok. The trivets have a flat design, which makes it easy to slide pots from one burner to another. The full glass ceramic hob, with touch controls, is easy to use and clean.

---

### Easy ignite

For busy kitchens the Easy Ignite under knob ignition is quick, simple and safe to use.

### FamilySafe Flame Failure Device

Created with your safety in mind, the flame failure safety device will immediately shut off the gas supply if the flame on the cooktop is unexpectedly extinguished. So you can always cook without worry.

---

### High-powered wok burner

Whip up tasty stir-fries and more with our high-powered wok burner. You'll get the high heat you need with 14mj of power at its highest setting.

### Peace of mind with FamilySafe Trivets

FamilySafe trivets ensure peace of mind while cooking. Designed to cover the large flat surface area and enhance pot stability, you'll enjoy added safety for you and your family.

---

## Handy storage compartment

Extra storage always comes in handy, so with a clever storage compartment offered in our freestanding ovens, you can easily stow away any extra pots and pans.

## Seamless design integration

The design perfectly integrates with the entire Westinghouse kitchen collection, allowing you to perfectly co-ordinate your kitchen design

---

## Fingerprint resistant stainless steel

Fingerprints have met their match. Enjoy a family-friendly oven with stainless steel that really is stainless. It's effortless to keep your oven looking like new with our easy-to-clean, smudge-free stainless steel.

---

# Terms and Conditions

## IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

## PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

## WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
