BENEFITS

Tailored for everyday living

Thoughtfully designed to suit the way we live, this fridge fits your standard fridge cavity, making it an ideal choice for an easy upgrade or replacement. With a smart, streamlined design, its perfect for creating a polished look without the fuss.

Big on space. Built for families.

With a generous 167L capacity, this spacious freezer drawer is built to handle everything from weeknight meals to weekend ice cream hauls. Designed for practicality, it features drawers to help you easily sort and find items when needed.

Modern design within reach

Say hello to a fridge that looks as good as it works! With integrated handles at the top and bottom, opening your fridge has never been easier. No bulky handles, just sleek design thats all about style and smooth, effortless access.

Dual storage with dual crispers

Keep fruit and veggies fresher with our CrispSeal Crispers. With seals that assist in preventing moisture loss, youre able to look after your food the right way.

Big bins. Big convenience.

With deep, full-width door bins on both sides, youve got plenty of room to store larger items like milk or juice bottles. Designed for families to share houses, these bins keep your bigger essentials neatly organised and always within easy reach.

FresherAir™ for a fresher fridge

Say goodbye to fridge smells! FresherAir™ uses a built-in carbon filter to help remove unpleasant odours, keeping your fridge smelling clean, just the way it should be.

Stay refreshingly cool

Keep your drinks ice cold thanks to our sphere ice tray. With plenty of ice available for all and the slow melting nature of larger sphere ice, you and your family can enjoy ice-cold drinks anytime.
