RRP AUS \$0.00

Product Details

FEATURES

Heating and cooling modes of operation Provides year round comfort	5 year comprehensive residential warranty Refer to the warranty terms and conditions in the brochure or on the product's warranty card	Remote control with luminescent keypad Remote control with luminescent keypad	Air swing auto/manual
24 hour timer Program your air conditioner to turn on and off automatically	Sleep mode	Manual operation	Auto restart In the event of an interruption in power supply the unit will restart with the same settings that were selected prior to the power outage

BENEFITS

Hot/cool in no time This window/wall model gives you the comfort of reverse cycle air conditioning without the need for expensive installation	Take whatever the weather can dish out Kelvinator air conditioners are built for the harsh Australian climate. Corrosion resistance on both the indoor and outdoor units ensures your air conditioner will last, whether you live on the coast or in the country.
Control from your armchair The remote control unit lets you conveniently control all functions	Fresh air delivery The fresh air return provides additional ventilation to your room and can also assist in humidity control. The easy-to-service dust filter removes dust and other larger airborne particles for cleaner air.
