

UltimateHome 300 Air Purifier

Product Details

FEATURES

Easy to use	Carbon filter	Air Surround	Low noise level
Connectivity	4-step filtration		

BENEFITS

ENJOY PURIFIED AIR WITH EASE
With the holistic approach of its Scandinavian design roots, Electrolux creates an air purifier that is both beautiful and effortlessly functional. New design details enhance ease of operation, including a convenient cable holder, sensor window, and push-button filter replacement.

REMOVES ODOURS AND SMOKE
The activated carbon air filter assists in the removal of odours and up to 87% of harmful gases such as TVOCs (Total Volatile Organic Compounds), which are emitted by household products such as paint, cleaning supplies, and tobacco smoke*. The filter absorbs and traps the gas particles to help prevent them from circulating in your air, creating a fresher home environment. *Tested to GB/T standard against 9 gases for TVOC efficiency.

A CLEANER ROOM IN JUST 15 MINUTES
The AirSurround system creates a powerful, yet smooth, spiral movement that efficiently circulates filtered air around your home. The spiral outlet creates a robust whirl to efficiently circulate air, delivering purified air throughout a 17 m2 room within just 15 minutes with AHAM Smoke CADR of 200 m3/h*. *Tested to ANSI-AHAM-AC1 for CADR. Applicable room size in 17 m2 and cleaning time in minutes are derived from the corresponding CADR value.

CONNECTED CONVENIENCE
Precisely monitor and manage the air quality in your home from anywhere to optimise your family's wellbeing when you're out, and to ensure you always come home to cleaner, healthier air. The connected Electrolux App allows you to remotely check the particulate matter levels, PM2.5, in your home air and then adjust settings accordingly. For instance, you can adjust fan speed, deem your air quality indicator lights or enable child lock.

PURIFIED AIR FOR BETTER LIVING

Enjoy the pure peace of mind that comes with assured air quality. With the PureProtect four-stage purification system, your air passes through a pre-filter, antibacterial coating, HEPA 13 filter, and carbon filter. This combined protection removes up to 99.9% of captured harmful bacteria* and up to 99.99% of H1N1 virus**, and micro-dust, filtering particles as small as 0,3 micron (m)*** in size. The air purifier is SGS-certified to provide relief from allergy discomfort by removing up to 99% of airborne allergens found in your home air. Its time to relax and breathe in purified air.*Tested for Escherichia coli, Staphylococcus aureus, Klebsiella pneumonia, Aspergillus Niger by a third party according to AHAM standard, 2022.**Tested for H1N1 influenza virus by a third party according to JEM and GB standard, 2022.***Filter media tested to NIOS TEB-APR-STP-0059 (2019) at SGS. Tested to JEM/GB-T standards against 9 gases for TVOC efficiency.

Specifications

MAIN

Brand	Electrolux
Product Type	Air Purifier
PNC	956006875
EAN/UPC	7333394011226
Model/Part number	EP32-27SWA
Replaces model	-
Description	UltimateHome 300 Air Purifier
Warranty Period	2 years

CONTROLS

Electronics	Touch U.I. & LED Display
Control position	Top of Unit
Filter indicator	Yes
Standby lamp	Yes

DESIGN

Main colour	Shell White
Handle	-
Wheels	-
Rubber Feet	-
Portable	-
Wall Mountable	-

PERFORMANCE

Room Coverage (m²)	30
CADR m³/hr	230
Lowest Noise Level (dB)	33

CONTROLS

Wifi / App	Yes
Remote Control	No

TECHNICAL SPECIFICATION

Fan Speeds	3 Speed
Stages of Filtration	4 Stage Filtration
Air Purification	PM 1 / 2.5 / 10 / TVOC
Ioniser	No
Pre-Filter Mesh	Yes
Antibacterial Filter	Yes
Deodorization Filter	Yes
Child Lock	Yes
Light Sensor	No
PM Sensor	Yes
TVOC Sensor	Yes
Temperature Sensor	No

PACKAGING & LOGISTICS

SINGLE PACKAGE

Gross weight (kg)	4.5
Package width (mm)	284
Package depth (mm)	284
Package height (mm)	467
Max units in 20 ft cont.	728
Max units in 40 ft cont.	1528

TECHNICAL SPECIFICATION

Humidity Sensor	No
RFID Sensor	No

Terms and Conditions

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
