|----------------------------------------------|--------------------------|--------------------------------------------|--------------------------------------------|
| Flat Door Design                             | Pole Handles             | Pigeon pairing capability                  | Full-width humidity controlled crisper bin |
| FlexStor™ door bin storage system            | Spillsafe™ glass shelves | Fingerprint Resistant Real Stainless Steel | Electronic temperature controls            |
| Quick chill function                         | LED lighting             | Door alarm                                 | Multi-flow air delivery system             |
| R600a refrigerant better for the environment |                          |                                            |                                            |

### BENEFITS

|                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                                               |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Stylish Design</b><br>Crafted with ultra-modern flat doors, elegant handle options and your choice of Dark or Natural Real Stainless Steel or white your fridge will be the centrepiece of your kitchen. (Options vary by model)               | <b>Energy Efficiency</b><br>Our range has been designed to be energy efficient*, reducing your electricity usage and so helping you to care for the environment around you. (Energy ratings and running costs vary by model) *Designed to meet MEPS AS/NZS4474.                                               |
| <b>Pigeon Pair</b><br>Westinghouse's vertical fridges and freezers can be combined in one space to give you a pigeon pair. This provides you with the maximum fresh food and freezer storage in one unit- truly the big fridge for the big family | <b>FreshSeal Crispers</b><br>Our FreshSeal Crispers have advanced seals, and with humidity control you get better flexibility to look after your food the right way. Our seals assist in preventing moisture loss, while the humidity control lets you provide a better environment for fresher tasting food. |

## FlexStor Adjustable Door Bins

When life gets busy, flexibility is a life saver. That's why Westinghouse created the FlexStor system. The adjustable door bins allow for quick and easy adjustment whenever or however you need it. We make it easy to do more with your fridge.

---

## SpillSafe Glass Shelves

Spills happen, but when they do, the world doesn't have to end. The Westinghouse SpillSafe glass shelves help with the mess by containing the spilt liquid to one shelf, so you have less to clean.

## Fingerprint Resistant Real Stainless Steel

Life can get messy, that's why we've made our Westinghouse fingerprint resistant real stainless steel easy to clean. Just one quick wipe with a damp cloth and you are mark free again.

# Terms and Conditions

## IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

## PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

## WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
